It was agreed to accept the report of the Director of Services, and to refer it to An Chomhairle for approval.

10.1.3 **CAMERA DETECTION OF RUNNING A RED TRAFFIC LIGHT**

The Committee considered the report of the Director of Services, Roads & Environment Operations, dated 9<sup>th</sup> February 2024 on the following motion:-

‘That the CE will implement camera detection of running a red traffic light.’

(Proposer: Cllr. C. Finn 23/563)

### **Decision of Committee**

It was agreed to accept the report of the Director of Services, and to refer it to An Chomhairle for approval.

#### 10.1.4 **LACK OF TRAFFIC ENFORCEMENT ACROSS THE CITY**

The Committee considered the report of the Director of Services, Roads & Environment Operations, dated 9<sup>th</sup> February 2024 on the following motion:-

‘That Cork City Council will address the lack of traffic enforcement across the City including the Patrick Street ban and the constant breaking of law across the new developed Mac Curtain Street, Wellington Road, Coburg Street, Leitrim Street, Patrick's Quay by increasing traffic enforcement staff and by working with Gardaí to ensure loading bays are protected for workers, bus stops for buses and footpaths are for pedestrians.’

(Proposer: Cllr. J. Maher 23/586)

### **Decision of Committee**

It was agreed to accept the report of the Director of Services, and to refer it to An Chomhairle for approval.

#### 10.1.5 **RESIDENTS' PARKING PERMITS**

The Committee considered the report of the Director of Services, Roads & Environment Operations, dated 9<sup>th</sup> February 2024 on the following motion:-

‘That the ridiculously over-complicated system around applying for/renewing residents’ parking permits - including the poorly-designed online portal - is reviewed again and made more user friendly.’

## 12.2 **MOTIONS**

### 12.2.1 **INCLUDE MOBILITY SCOOTERS UNDER GRANTS FOR OLDER PEOPLE AND PEOPLE WITH A DISABILITY PROGRAMME**

Members considered the report of the Director of Services, Housing Operations, dated 15<sup>th</sup> February 2024 on the following motion:-

‘That Cork City Council includes mobility scooters under the Grants for Older People and People with a Disability programme.

Mobility scooters have become an essential mode of transportation for individuals with mobility challenges, enabling them to maintain their independence and participate fully in community life. These scooters play a crucial role in enhancing the quality of life for older people and those living with disabilities, providing them with the freedom to navigate their surroundings.

By incorporating mobility scooters into the existing Grants for Older People and People with a Disability programme, we can directly assist individuals in obtaining these devices. This support will alleviate the financial burden that often accompanies the purchase of a mobility scooter, making it more accessible to those who require it.

Additionally, by including mobility scooters in the grant program, we send a clear message of inclusivity and support to our older residents and fellow citizens with disabilities. It is vital that we empower all members of our community to live their lives to the fullest and participate in society without limitations.’

(Proposer: Cllr. K. O’Flynn 23/322)

### **Decision of Committee**

It was agreed to accept the report of the Director of Services, and to recommend it to An Chomhairle for approval.

12.2.2 **ONE REP POLICY FOR HOUSING ALLOCATION REPRESENTATIONS**

Members considered the report of the Director of Services, Housing Operations, dated 15<sup>th</sup> February 2024 on the following motion:-

‘That Cork City Council consider the implementation of a one rep policy for housing allocation representations to ensure that duplication of representation does not occur. This has been implemented in Limerick City and County Council with much success and eases the burden on both Councillors and the housing allocations team.’

(Proposer: Cllr. D. Boylan 23/578)

**Decision of Committee**

It was agreed to accept the report of the Director of Services, and to recommend it to An Chomhairle for approval.

12.2.3 **PREVENTATIVE HOUSING MAINTENANCE MEASURES**

Members considered the report of the Director of Services, Housing Operations, dated 15<sup>th</sup> February 2024 on the following motion:-

‘That Cork City Council report on preventative housing maintenance measures for the year ahead and if a programme of works will be influenced by stock surveys and prioritise dealing with dampness/mold and the installation of smoke and carbon monoxide alarms as required for each housing unit.’

(Proposer: Cllr. M. Nugent 24/029)

## APPENDIX 1

### MOTIONS

An Chomhairle to note the referral to the relevant Committee of the following motions, due notice of which has been given:-

1. **RESURFACE HARRINGTON SQUARE**

‘That Cork City Council resurface all of Harrington Square for health and safety reasons.

Currently there is hazardous condition of Harrington Square surface, which is uneven and poses a significant danger to the community.

It has come to my attention that the current condition of Harrington Square presents a genuine risk to the well-being of residents, visitors, and pedestrians alike. The uneven surface not only creates tripping hazards, but it also hampers easy mobility for those with disabilities, potentially leading to accidents and injuries.

Therefore, I propose that Cork City Council takes immediate action to resurface Harrington Square. By resurfacing this area, we will eliminate the risks associated with the current state of the square, providing a safer environment for all community members to enjoy. This course of action is essential to maintain the well-being and welfare of our citizens.

In addition to the safety benefits, the resurfacing of Harrington Square will also contribute to the overall aesthetic improvement of the area, enhancing its appeal and serving as an investment in our local community.’

(Proposer: Cllr. K. O’Flynn 23/471)

**North East Local Area Committee – 25/03/2024**

2. **INSTALLATION OF SIGNAGE ON THE OLD YOUGHAL ROAD**

‘I hereby move that Cork City Council invest in the installation of signage on the Old Youghal Road and surrounding areas to alert arctic truck drivers that Richmond Hill is not suitable for large trucks. The signage should be prominently placed and highly visible to ensure effective communication to drivers.

Background:

In recent times, there have been instances of large trucks getting stuck on Richmond Hill, causing significant disruptions to traffic flow and resulting in challenges such as the need for reversing and potential damage to property or infrastructure. To minimize these incidents and mitigate the negative impacts on traffic circulation, it is crucial to provide clear warnings to arctic truck drivers regarding the unsuitability of Richmond Hill for their vehicles.

Proposed Action:

1. Cork City Council should initiate a comprehensive assessment of the Old Youghal Road and surrounding areas to identify the most appropriate locations for signage placement. This assessment should consider factors such as visibility, traffic patterns, and potential alternatives for truck drivers.
2. Following the assessment, the City Council should procure and install highly visible signage in the identified areas. The signage should clearly convey the message that Richmond Hill is not suitable for large trucks and provide alternative route suggestions suitable for arctic truck drivers.
3. Adequate funding and resources should be allocated to ensure the timely implementation of the signage installation. This investment will not only enhance the safety of road users but also contribute to the efficient flow of traffic in the area.

Conclusion:

To prevent further incidents of arctic trucks becoming stuck or causing traffic disruptions on Richmond Hill, it is essential to invest in appropriate signage. This motion seeks to prompt Cork City Council to take proactive measures and allocate the necessary resources to install highly visible signage that alerts arctic truck drivers to the unsuitability of Richmond Hill and offers alternative routes.

I kindly request that this motion be discussed and voted upon in the upcoming Council meeting to address the concerns of residents and improve the overall safety and functionality of our roadways.'

(Proposer: Cllr. K. O'Flynn 23/490)

**North East Local Area Committee – 25/03/2024**

3. **ENVIRONMENTAL HEALTH AND AESTHETIC APPEAL OF THE RIVER MARTIN**

'That Cork City Council undertakes the following actions to enhance the environmental health and aesthetic appeal of the River Martin in Blarney Village:

1. Removal of debris and illegal waste:

The Council shall take immediate measures to remove all debris and illegal waste from the River Martin and its surroundings. This will include regular clean-up initiatives and the installation of appropriate signage to discourage illegal dumping.

2. Dredging and cleaning:

The Council shall allocate necessary resources to conduct regular dredging activities to improve the water flow and cleanliness of the River Martin. This will reduce the accumulation of silt, debris, and pollution, ensuring the sustainability of the river ecosystem.

3. Vegetation control:

The Council shall implement a comprehensive plan to cut back excessive growth along the riverbank, ensuring that overhanging branches and obstructive vegetation are regularly trimmed and well-maintained. This will promote better access to the river, enhance safety, and improve the overall aesthetics of the area.

Implementation and funding:

The Council's relevant departments shall collaborate to develop a detailed plan outlining the timelines, budgetary requirements, and methods for implementing the proposed actions. Appropriate funding shall be allocated from the Council's environmental and maintenance budgets, along with potential partnerships with government agencies, community organizations, and local businesses.

Engagement and community awareness:

The Council shall actively engage with the residents of Blarney Village through public consultations, information sessions, and regular updates to ensure transparency and gather valuable input on the river's management and restoration. Additionally, effective communication campaigns shall be launched to raise awareness about the importance of respecting and preserving the River Martin.

Conclusion:

By taking prompt action to remove debris, illegal waste, dredge and clean, as well as control overgrowth along the riverbank, Cork City Council can demonstrate its commitment to environmental stewardship and the sustainable development of our cherished natural resources. This motion aims to create a cleaner, healthier, and visually appealing River Martin for the residents of Blarney Village and visitors alike.'

(Proposer: Cllr. K. O'Flynn 23/491)

#### **North West Local Area Committee – 25/03/2024**

#### **4. TRAFFIC SURVEY AT WATERLOO ROAD**

'The traffic flow on Waterloo Road has been steadily increasing, and this has created a dangerous situation for the residents and motorists in the area. We urge the Council to immediately conduct a comprehensive traffic survey to assess the severity of the traffic issue and explore viable solutions to effectively calm the traffic.

Of particular concern is the entrance of Blarney from the Waterloo Road. The current traffic conditions pose significant risks to both pedestrians and motorists entering and exiting the area. The speed at which vehicles travel on this stretch is alarming and demands immediate attention.

I kindly request that the Council consider implementing traffic calming measures at the entrance of Blarney from Waterloo Road. These measures could include speed bumps, road narrowing, increased signage, or any other appropriate interventions that will effectively slow down traffic and make the area safer for all road users.

Additionally, I urge the Council to engage with the local community and gather their input on the traffic issues they have experienced on Waterloo Road. Their firsthand experiences

and insights can greatly assist in identifying the most suitable improvements that need to be made.

By taking prompt action and implementing traffic calming measures, Cork City Council can ensure the safety and well-being of residents and visitors in Blarney. We trust that the Council shares our commitment to creating a secure and harmonious environment for the community.'

(Proposer: Cllr. K. O'Flynn 23/543)

#### **North West Local Area Committee – 25/03/2024**

5. **FLOODING ALONG MELBOURN ROAD**

'That two areas along Melbourn Road (by the MTU Melbourn building at the roundabout and near Woburn Drive) prone to flooding even in modest rainfall conditions are examined and measures taken to remedy the situation.'

(Proposer: Cllr. M. Finn 24/014)

#### **South West Local Area Committee – 25/03/2024**

6. **LIGHT ELIZABETH FORT AT NIGHT**

'Considering its importance as a tourism asset, that Elizabeth Fort is again lit up at night to underline its significance on the city landscape and given its proximity to St. Finbarre's Cathedral which is properly lit up.'

(Proposer: Cllr. M. Finn 24/015)

#### **South Central Local Area Committee – 25/03/2024**

7. **UPGRADING PLAN FOR PROPERTIES ALONG BANDON ROAD AND BARRACK STREET**

'That Cork City Council examines the frontages of its properties along the gamut of Bandon Road and Barrack Street and prepares a painting and upgrading plan for each one, showing a lead to other private properties in the area in need of refreshing.'

(Proposer: Cllr. M. Finn 24/016)

#### **South Central Local Area Committee – 25/03/2024**

8. **CHRISTMAS EVENTS IN THE CITY**

'That Cork City Council reviews its Christmas offering in the City with a view to again making it a go-to destination for the region, including a plan to celebrate New Year's Eve in an appropriate fashion for its citizens (i.e. a fireworks display from Shandon, a charity ball in City Hall etc).'

(Proposer: Cllr. M. Finn 24/017)

**Community, Culture & Placemaking Strategic Policy Committee – 21/03/2024**

9. **SKATE PARK WITHIN TRAMORE VALLEY PARK**

‘In the 15 years since Cork City Council last invested in a skate park (Mardyke in 2009) the popularity of skateboarding and associated activities (scooters, roller skates etc.) has grown massively, both locally and internationally. The international popularity and acceptance of skateboarding as a sport can be seen by its inclusion as an Olympic sport for the first time at the Tokyo 2020 Olympics. Therefore, I feel that we are overdue investment in this sector and ask that funding be sought to develop a Skate Park within TVP, a Skate Park that can be used and accessed by ages and all skills. In other words, the Skate Park should be designed to cater for all levels of skaters, from beginners to professionals. It should also be built on a flat surface and include/have a variety of obstacles such as ramps, rails and ledges. With the Olympics in mind the Skate Park should also have a bowl section for the more advanced skaters. The park should also and quite naturally be designed to be safe and have a non-slip surface to prevent accidents.’

(Proposer: Cllr. P. Dineen 24/108)

**South Central Local Area Committee – 25/03/2024**

10. **SAFETY STRATEGY ON SOUTH DOUGLAS ROAD**

‘I ask that a safety strategy on the South Douglas Road be conducted as soon as it is possible. The exact area is from the junction of Belvedere Lawn outbound to Douglas Community School. I have been receiving numerous requests for safety measures to be installed. Measures such as a safety rail, traffic calming ramps/rumble strips, road widening if possible, warning/slow down signs etc. All these measures will ensure safety to the many pedestrians including school children who use this pathway on a daily basis.’

(Proposer: Cllr. P. Dineen 24/109)

**South Central Local Area Committee – 25/03/2024**

11. **VACANT HOUSES AT GLENCURRIG ESTATE**

‘What is the status of the two vacant houses in Glencurrig Estate namely 17 and 18. When will they be occupied?’

(Proposer: Cllr. S. Martin 24/112)

**South Central Local Area Committee – 25/03/2024**

12. **RESURFACE TRAMORE LAWN**

‘That Cork City Council include Tramore Lawn in the 2024 / 2025 estate resurfacing programme.’

(Proposer: Cllr. S. Martin 24/113)

**South Central Local Area Committee – 25/03/2024**

13. **ENTRANCE TO MAYFIELD UNITED’S CLUB GROUNDS**

‘That Cork City Council would put in place plans to resurface the entrance road to Mayfield United's playing pitches.

The country’s first Affordable Housing Scheme is currently being constructed at Boherboy Road, Lotamore, Mayfield, Cork and is located right next to Mayfield United's playing pitches. Of course, the club very much welcomes this housing development, and looks forward to many of the children living in this new housing estate using the playing facilities at Mayfield United as players on various teams of Mayfield United in years to come.

The club continues to support this building project in our community, and as part of this ongoing co-operation, in late 2019 in order to accommodate the ongoing construction, the entrance to Mayfield United’s club grounds (Mayfield Park) was moved to join the entrance at the adjacent Dunard housing estate, which is a City Council housing development.

The combining of the football club entrance and the housing estate entrance means that an ever increasing and significant volume of traffic is using just one entrance point. This has subsequently resulted in major road damage with multiple potholes arising and causing dangerous conditions for both drivers and pedestrians who use this road.

In the short term, can these potholes be properly repaired until the entrance road to Mayfield United's pitches is fully resurfaced.’

(Proposer: Cllr. J. Kavanagh 24/114)

**North East Local Area Committee – 25/03/2024**

14. **FOOTPATHS AROUND BISHOPSCOURT GREEN AND SURROUNDING AREAS**

‘That Cork City Council carry out a survey/inspection of all the footpaths around Bishopscourt Green, Bishopstown Bar and surrounding areas, where wheelchair users and people with buggies are struggling to use these paths, with the view to fixing, upgrading the areas that need so.’

(Proposer: Cllr. T. Moloney 24/115)

‘Can we get 18 to 28 Plunkett Road resurfaced from our own internal resources.’

(Proposer: Cllr. S. Martin 24/120)

**South Central Local Area Committee – 25/03/2024**

19. **ROAD OUTSIDE 18-28 PLUNKETT ROAD**

‘That this Council resurface the road outside house no’s 18-28 Plunkett Road. There is no footpath in this location so residents are forced to walk on the road which is in complete disarray and a trip hazard.’

(Proposer: Cllr. F. Kerins 24/123)

**South Central Local Area Committee – 25/03/2024**

20. **YELLOW BOX ON GRANGE ROAD OUTSIDE WOODLANDS ESTATE**

‘That Cork City Council move the yellow box on the Grange Road outside Woodlands Estate a few metres over in the direction of the Kinsale Road Roundabout as its current location makes it difficult and sometimes hazardous for motorists to exit Woodlands Estate whereas if the yellow box was a few metres further over in the direction of the Kinsale Road Roundabout, it would be easier and safer for motorists to exit Woodlands Estate.’

(Proposer: Cllr. S. O’Callaghan 24/124)

**South Central Local Area Committee – 25/03/2024**

21. **YELLOW BOX ON SOUTH DOUGLAS ROAD**
