# **APPENDIX 1**

## **MOTIONS**

An Chomhairle to note the referral to the relevant Committee of the following motions, due notice of which has been given:-

1. **GUARD RAIL FROM ROS ARD TO THE NATIONAL SCHOOL IN GLANMIRE**

‘That Cork City Council install a guard rail from Ros Ard, Upper Glanmire to the National School of Upper Glanmire on the existing footpath.’

(Proposer: Cllr. K. O’Flynn 21/288)

**North East Local Area Committee – 27/09/21**

2. **HOUSING APPLICATION EXEMPTION THRESHOLD**

‘That Cork City Council acknowledges the high cost of living in the city especially the tremendous cost of rentals and purchase of properties by seeking permission from the department of housing to increase the housing applicant’s exemption threshold from €36,000 to €50,000. This would ease somewhat the criteria of the application process for the applicant given the difficulties most applicants are in at present.’

(Proposer: Cllr. K. O’Flynn 21/290)

**Housing Strategic Policy Committee – 19/10/21**

3. **OUTDOOR BICYCLE REPAIR STANDS**

(Proposer: Cllr. D. Forde 21/300)

**South East Local Area Committee – 28/09/21**

6. **EXTEND PARKING DISC TIME ON MAGAZINE ROAD**

‘Following requests from residents in the area, that Cork City Council extends the parking disc requirement time to 8pm in the Magazine Road area before college term begins, which would tie in with parking requirements around the Bons Secours hospital, and that enforcement of parking regulations be carried out in parallel (particularly aimed at combating illegal parking in disability bays).’

(Proposer: Cllr. M. Finn 21/333)

**South Central Local Area Committee – 27/09/21**

7. **INSTALL A DIGITAL SPEED MONITOR AT HARTLANDS AVENUE**

‘I write to ask the Roads Department to consider Hartlands Avenue as a location to install a digital speed monitor on the left-hand side and prior to reaching the Hawthorn Bar as you approach The Lough. The roadway is in effect a downhill slope and is subject to many vehicles travelling to what seems to be in excess of the speed limits. The installation of the digital speed monitor would create awareness and encourage road users to slow down as they approach the bend in.’

(Proposer: Cllr. P. Dineen 21/335)

**South West Local Area Committee – 27/09/21**

8. **BUS SHELTER ON MARYBOROUGH HILL INBOUND AND OUTBOUND

‘That Cork City Council implement traffic safety measures at the Whites Cross roads junction adjacent to Hennessy's TOP garage. This has become a very busy junction with absolutely no

traffic safety regulatory measures in place and subsequently there is a growing number of accidents occurring on an increasingly regular basis at this location. This has now become extremely urgent and needs immediate attention.'

(Proposer: Cllr. J. Kavanagh 21/337)

**North East Local Area Committee – 27/09/21**

10. **TRAFFIC CALMING MEASURES IN GLANMIRE**

'Dear Cork City Council, would it be possible please to install traffic calming measures on the Glyntown Road, Glanmire, stretching from the Ardcarraig Estate, the Paddocks Estate, the Chestnut Meadows Estate, the Fernwood Estate and down to the dangerous bend at Glyntown Heights. There have been several accidents on this road. Signage and table top speed reducing bumps would eliminate this ongoing problem. Funding could be achieved from development charges from the Ballinglanna housing project.'

(Proposer: Cllr. G. Keohane 21/338)

**North East Local Area Committee – 27/09/21**

11. **RESURFACING OF FOOTPATHS ON FR. DOMINIC ROAD**

'That Cork City Council would undertake a complete resurfacing of all the footpaths on Fr. Dominic Road, Ballyphehane as they are in a dangerous state now. In the meantime, remedial work would be carried out to the section of footpath outside Nos 22/24 as the kerbs are missing here and there are elderly residents living in this locality.'

(Proposer: Cllr. F. Kerins 21/339)

**South Central Local Area Committee – 27/09/21**

12. **NOTIFY PARKING USERS OF STREET CLEANING TIMES**

'Where the mechanised street cleaners have regular areas of cleaning, street parking users should be notified regularly to move their cars between an hour window (10am – 11am/11am – 12pm/ 1pm – 2pm and so on), depending on the time the cleaners are expecting to be in the area. Also, signs be posted in the areas informing of the times of street cleaning. The street cleaner would then have a clear run to clean the area properly without obstacles blocking their path leading to an increased areas being covered, and a more comprehensive job being done in.'

(Proposer: Cllr. T. Moloney 21/342)

**Environment, Water & Amenity Strategic Policy Committee – 21/09/21**

13. **INSTALL SPEED RAMPS ON SILVERHEIGHTS ROAD, MAYFIELD**

‘I call on Cork City Council to install two extra speed ramps on Silverheights Road, Mayfield. The heavy traffic which flows through this residential area, including up to 200 truck journeys daily, poses a danger to residents. I call for speed ramps to be installed between No. 6 and No. 11, and between No. 22 and 27 of Silverheights Road. In addition, I call for the installation of a 30 kph driver feedback sign, to remind motorists that the official speed limit is 30 kph.’

(Proposer: Cllr. T. Tynan 21/343)

**North East Local Area Committee – 27/09/21**

14. **INSTALL TRAFFIC LIGHTS AT THE NORTH RING ROAD**

‘I call on Cork City Council to install traffic lights at the junctions that lie along North Ring Road. The heavy traffic along the North Ring Road, which includes up to 1,500 trucks per day, poses a danger to residents entering and exiting from adjacent residential estates at junctions Tivoli Wood, Silversprings Court, Silverheights Road, Boherboy Road, Lagan Grove, Liffey Park, Ballinderry Park and Boyne Crescent.’

(Proposer: Cllr. T. Tynan 21/344)

**North East Local Area Committee – 27/09/21**

15. **WIDEN FOOTPATH AT THE NORTH RING ROAD**

‘I refer the Council to a motion that I submitted in September of 2019, calling for the widening of the footpath on the southern side of the North Ring Road, from Lagan Grove to the junction of Ballyhooley Road. While I appreciate that a commitment was given to widen the footpath from Ballyhooley Road to Boyne Crescent, I call for the extension of this project up to Lagan Grove, as it is currently preventing guide dog assisted pedestrians from using the pathway. In addition, I call for the installation of a pedestrian crossing on the North Ring Road adjacent to Ballinderry Park.’

(Proposer: Cllr. T. Tynan 21/345)

**North East Local Area Committee – 27/09/21**

16. **VACANT LAND ON THE DOUGLAS RELIEF ROAD**

‘To ask that Cork City Council, in light of the recent planning refusal for development, move to purchase that vacant land on the Douglas Relief Road for public use as an amenity green space. This space represents the only remaining green space on that side of the village and we should engage with the owner to secure it as a Pocket Park and public open space for the benefit of the community. It would show the Council’s genuine intent to provide a living green space for residents of the village and visitors alike right in the heart of Douglas where we have a dearth of natural amenities.’

(Proposer: Cllr. M.R. Desmond 21/346)

**South East Local Area Committee – 28/09/21**

17. **INSTALL SOLAR POWERED SPEED SIGNS ON THE GRANGE ROAD**

‘That Cork City Council install a solar powered speed sign and/or introduce other traffic calming measures at or near the section of the Grange Road encompassing the Holy Trinity Church and the entrances to Woodlands Estate, Seven Oaks Estate and The Maples. A solar powered speed sign and/or other traffic calming measures are needed at this location due to the large volume of traffic in the area, the high speed at which some of the traffic travels and the narrowness of the footpaths on that section of the Grange Road.’

(Proposer: Cllr. S. O’Callaghan 21/347)

**South Central Local Area Committee – 27/09/21**

18. **ERECT BARRIERS AT ST. VINCENT’S PRIMARY SCHOOL**

‘That Cork City Council would as a matter of urgency, in view of the increased risks to child safety, erect barriers at the new exit for school children from St. Vincent's primary school on Wolf Tone St. This new exit is necessary because of the Covid-19 guidelines and goes directly onto Wolfe Tone St.’

**North West Local Area Committee – 27/09/21**

19. **DOUBLE YELLOW LINES AT TOWER HALL AND THE MODEL VILLAGE**

37. **INSTALL TRAFFIC CALMING AT CASTLEPARK, BALLINCOLLIG**

‘That Cork City Council would identify and install an appropriate form of traffic calming on the road at some point between Number 1 and Number 16 Castlepark, Ballincollig.
