What would you like to see in Cork City's future?

Pre-Plan public consultation
26 June 2020 to 21 August 2020

Comhairle Cathrach Chorcaí
Cork City Council

We are Cork.

OUR CITY OUR FUTURE

Cork City Council is preparing a new Development Plan that will set the priorities for development of our City from **2022 - 2028**.

Cork City is earmarked to be the fastest growing city in the country over the next 20 years. We have the people and ambition to grow sustainably and remain a great place to live, work and visit.

We want to hear your views on how Cork City should develop.

We've produced a document 'Our City – Our Future' which sets out some key issues that will influence the future of Cork City.

This and supporting documents can be reviewed online at:

www.corkcitydevelopmentplan.ie

As part of our consultation process, Cork City Council intends to hold a range of public events whilst ensuring public health and wellbeing.

Details of these public events will be made available on our website and social media.

Questions to consider?

- How would you like to see Cork City develop?
- Where should new homes, offices, businesses and shops be located?
- How should we address climate change and biodiversity loss?
- How do we ensure that we respect the past while building for the future.
- How should we improve transport choices such as better public transport, walking, cycling facilities and infrastructure?

Have your say...

You can make a submission online or by post. To be considered a valid submission, you must include your name and address.
