

RE: SEAI INTERACTIVE SENIOR PRIMARY SCHOOLS ENERGY WORKSHOPS

Dear Teacher,

Please find below a booking form for the SEAI Energy Challenge senior primary school workshops. The workshops are part of SEAI's program of events for primary schools and are available at no cost to **pupils from 3rd-6th class**. The workshops program is being managed by An Taisce Green-Schools.

Each workshop will last approximately 1hr 15 minutes and we can offer 3 sessions per school: 09.30hrs, 11.00hrs and 13.00hrs (these times can be adjusted around your school breaks etc). There is a maximum limit of one class or 30 pupils per workshop. An expert facilitator will guide the pupils through a specially designed workshop, which uses active learning methodology in line with the SESE curriculum. The workshop covers the science of energy and climate change through participation in experiments and playing the 'energy game' - all around they are very hands on and fun!

In order to maximise our resources we run 3 workshops per day, please ensure that you have 3 classes interested in participating in the workshop prior to filling out this form.

If you are interested in a SEAI facilitator visiting your school and can meet the requirements please fill out the booking form and return to the below address, outlining your three preferred dates. You will then be contacted by an appointed facilitator who will finalise times, dates and materials for your workshops.

In advance of the workshops we would appreciate if you could:

- **Provide adequate directions to your school**
- **Ensure that teachers are available to stay with their classes whilst the workshops are taking place**
- **Only include classes as specified above for the workshops**

Yours sincerely,

Mervyn Horgan
Lifetime Lab, Old Cork Waterworks Experience , Lee Road, Cork, T23 N828

SEAI may wish to contact you in the future about upcoming events by email. Any personal information, which you volunteer to SEAI, will be treated with the highest standards of security and confidentiality, strictly in accordance with the data protection legislation.

In order to avail of SEAI workshops, we will add your email to our Schools Quarterly E-Newsletter, which is packed with energy education info for schools. If you wish to unsubscribe please advise us on schools@seai.ie.

For more information on SEAI's schools programmes and the free resources available to your school go to www.seai.ie/schools

Booking Form: SEAI Senior Primary Energy Workshop

Teacher Name:
