W5 BELFAST

NOW THAT'S WHAT I CALL SCIENCE

Discover a selection of science's greatest hits as we delve into the WhoWhatWhereWhenWhy of STEM. Together, we will explore the experiments that have shaped the world around us and meet the scientists who asked the questions no-one else did. Put their theories to the test in this fun, interactive show.

THE SCIENCE GUY

WHIZZES, POPS & BOOMS

TV Presenter and Celebrity Scientist, Mark the Science Guy, from RTE's hit show 'Let's Find Out' and Explorium, will host a fun filled, energetic display of his favourite science experiments for the whole family to enjoy. There'll be whizzes, pops, booms and plenty of laughter in this hilarious show featuring rockets, cannons, gravity defying stunts and much more.

SIMPLY SCIENCE

AIR FORCE

Hosted by physicists Dr. Stephen Davitt and Phil Smyth from RTE's Home School Hub, this interactive science show gets the whole audience involved in a fun, hands-on journey and builds from basic principles to showcase science that the audience gets to try live on stage.

EUREKA EDINBURGH

AIR HEADS

Steve has a new hobby. He's a bit of an airhead. Long suffering friend Barbara wants to know more, though soon she'll wish she'd never asked. Join them in this ridiculous adventure of nonsense, one-upmanship and hovercrafts. Who knows? You might even learn something along the way.

RIVER STAGE

12.30 15.30

FANZINI BROTHERS

PROFESSOR PLUNGER

The Professor is ready to show off his greatest invention; his amazing hair! An inventive and original show featuring dancing, hair, plungers and a bell-playing finale. The Professor is a charming old world rogue with a little cheeky grin and a very large head of hair.

SHOWS RUN FOR
35 - 45 MINS APPROX.

WALKABOUT

OUR SCIENCE ENTERTAINERS
CAN POP UP ANYWHERE!

SCIENCE IN A SUITCASE

DR. KEN @ INSPIRATIONAL SCIENCE

A tardis of Experiments, amazing tricks and stunts. Science you never knew existed will appear and disappear throughout the day.

BALLOON PUZZLES AND BUBBLE SHAPES

BUBBLY MATHS

Join Bubbles the clown for balloon and bubbly maths. Who knew maths could be so much fun!

NUMBER NINJAS

PROFESSOR BALONY

Number Ninja's is an action packed interactive and super fun activity that makes numbers trick-tastic!

SCIENCE ON STILTS

CIRCUS 250

Real scientists, who are also stilt walkers, wander through the Festival doing simple science experiments on stilts and interacting with the audiences, including science-based conversations using visual prompts.

The event map is set in a park-like environment with a central blue pond. It features several zones and activities:

- LOCAL LIVE PERFORMANCE STAGE:** Located in the top left corner.
- STREET CUISINE:** A row of colorful food stalls.
- RIVER STAGE:** Situated along the top edge of the pond.
- ACTIVE ZONE:** Features a playground with slides and a treehouse.
- DISCOVERY DRIVE:** A path lined with various tents.
- EXPLORATION AVENUE:** A path with more tents and a building icon.
- INNOVATION WAY:** A path with a large tent and a treehouse.
- LITTLE TOP:** A small tent area at the bottom left.
- BIG TOP:** A large red and white striped tent at the bottom right.
- ENTRANCE:** A red banner at the bottom right.

Icons on the map indicate the locations of:

- Event HQ (HQ icon)
- Cork Public Museum (Museum icon)
- Cafe (Cup icon)
- Water Station (Water tap icon)
- First Aid (Cross icon)
- Playground (Playground icon)
- Live Music (Musical note icon)
- Toilets (Toilet icon)
