Dear Madam,

It is with deep regret that I undertake the sad duty, on behalf of my committee, of expressing the great regret with which we have learned the fact of Alderman McSwiney's death.

It may seem impertinent for us, whose government is responsible for the sorrow which has come upon you, to offer our sympathy; notwithstanding, I can assure you that we share your sorrow. Our souls have been thrilled by the heroic sacrifice made by your noble husband. His name and spirit will live as long as time will last. "For to live in the hearts of those we leave behind us, is not to die"

Yes, your illustrious husband's memory will remain green and imperishable when the names of his persecutors will have been forgotten,

May God comfort you in your great sorrow.
