CORK, 6th January, 1912.

Terence J. MacSwiney, Esq. B.A.

Arundel Terrace, CORK.

Dear Mr MacSwiney,

It is with very sincere regret we hand you this letter of farewell on your severance from this Firm, although we feel proud that you have been the successful Candidate for the responsible position which you are now about to assume in connection with the Technical Board.

We feel confident that your future will be a brilliant one, and few will be more glad to see your ambitions realised in the fullest measure than we who have been for so many years associated with you in business.

May we ask you to accept the accompanying as a memento of the esteem and respect which your many excellent qualities and high attainments have inspired?

It is our pleasure to point out that although this letter ostensibly emanates from the Office Staff, the Managing Director of the Firm was one of the first to suggest and to subscribe to this testimonial.

We are, dear Mr MacSwiney

Your very sincere friends,
